

IN THE UNITED STATES DISTRICT COURT
FOR THE STATE OF OREGON

--F.R.C.P. 6(b)--

SHON JOHNSON 7235453

Complaint was no more the than a notice to the courts of the same treatment and retaliation from Washington County Jail, Her Honor has not appeared on any of my Motions since 3/11/22. And the defendants still have failed to respect the Order, yet wish to use every unduly measure to hinder My Constitutional rights, even the Dist. Court Clerk is signing off "BEST" to the Defendants, as if the Bullies of injustice needs any encouragement. Because I am without an Attorney and Ive show I little to nothing, and the Corporate Justice can operate within their own means I ask the court for 60-Days to establish some sort of measure to stand in court with evidence that I will again have to file for thrice more.

This due date would be extended to the 28 day of March 2023. This is the **First** request for an extension of time. This motion is supported by: What is written in the motion. Also the mail was delivered to me two weeks ago.

Dated this 28 day of March 2023__.

Respectfully Submitted,
